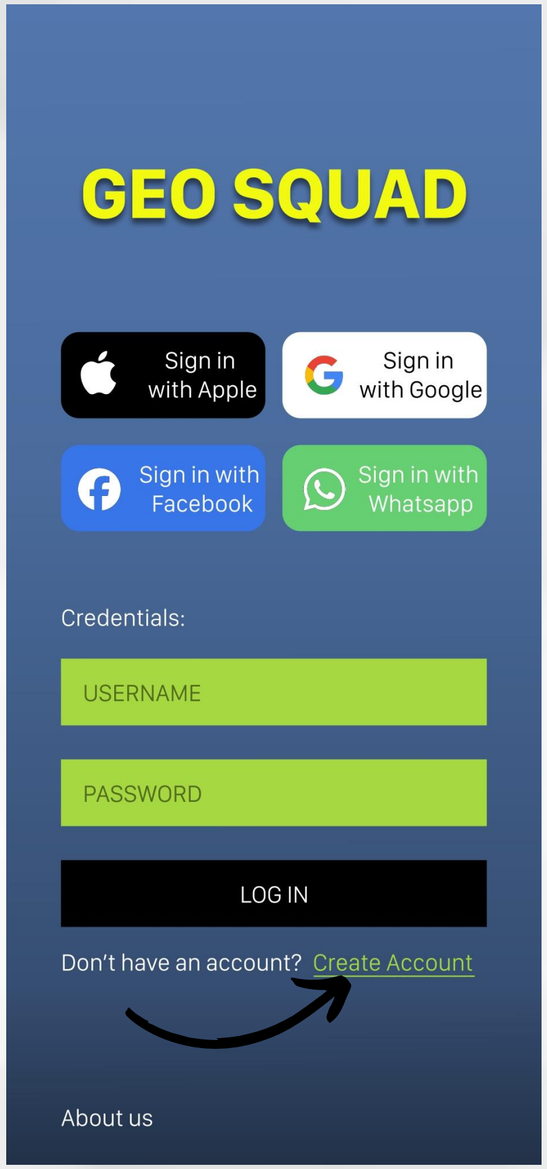
SCENARIO

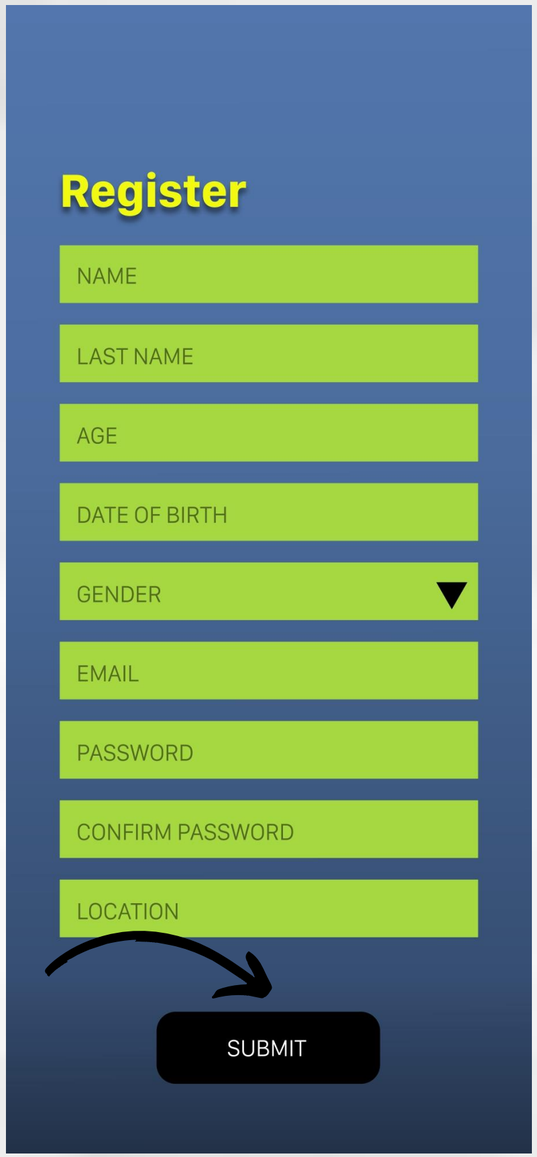
User is registering to the Geosquad mobile application to mark themselves as “I am safe” during a recent disaster in the city.

STEP ONE:



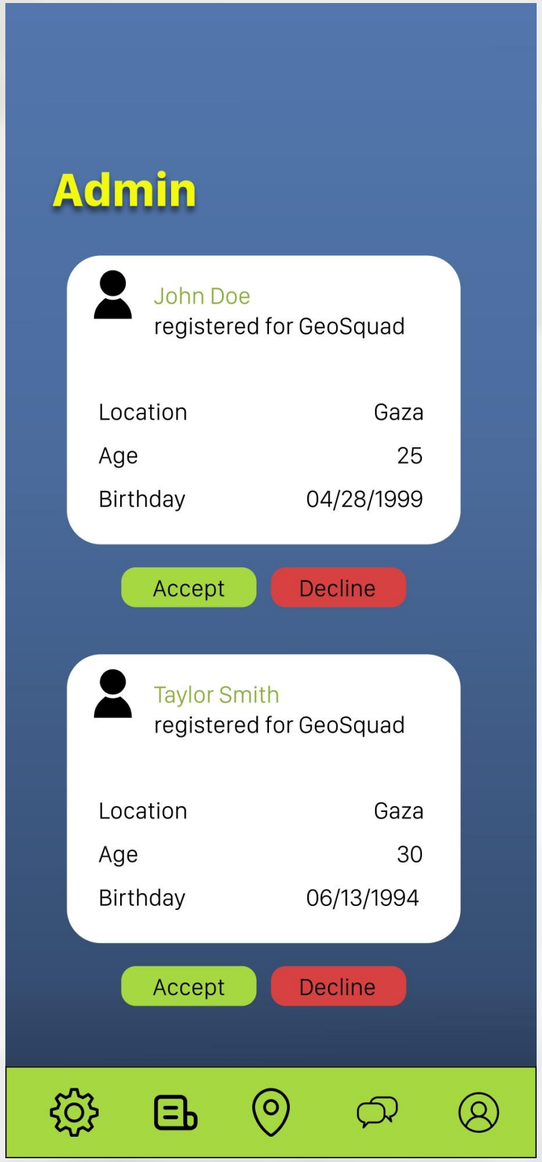
User selects “Create One” in order to create an account

STEP TWO:



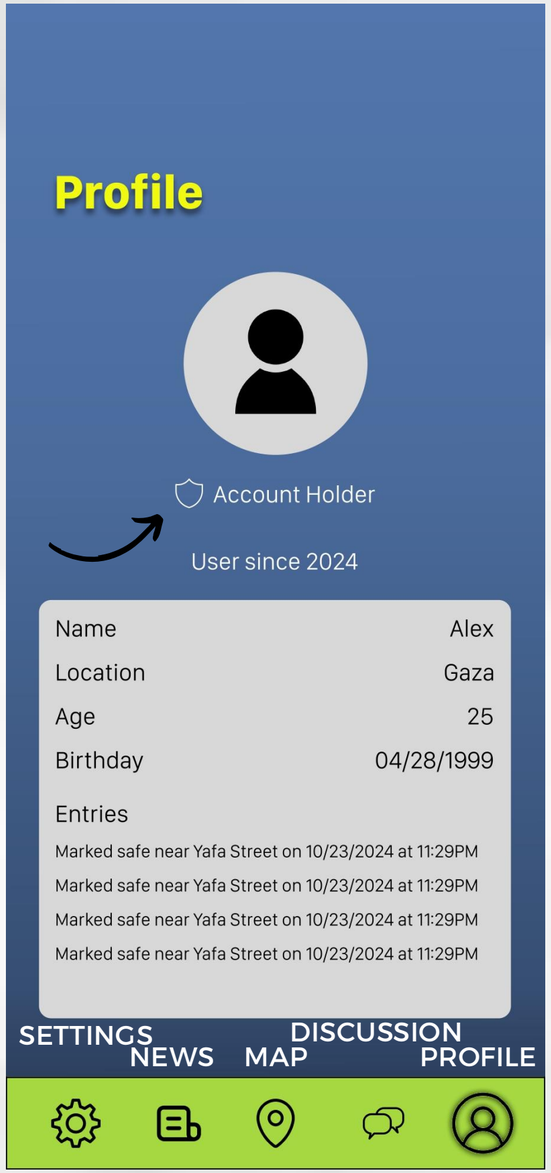
User inserts their information and submit to register

STEP THREE:



Admin will approve or reject the registration

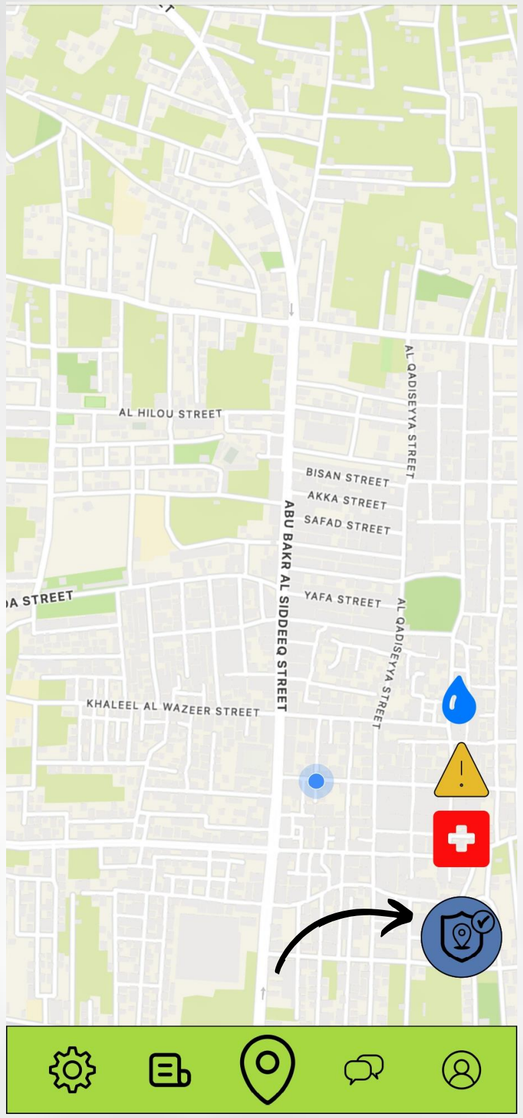
STEP FOUR:



NOTE: ICON TEXT WILL BE INCLUDED WHEN CLICKED ON IN ORDER FOR USER TO KNOW WHAT EACH ICON MEANS

Once approved, default view will show User's profile. Shield next to Account Holder will show verified user.

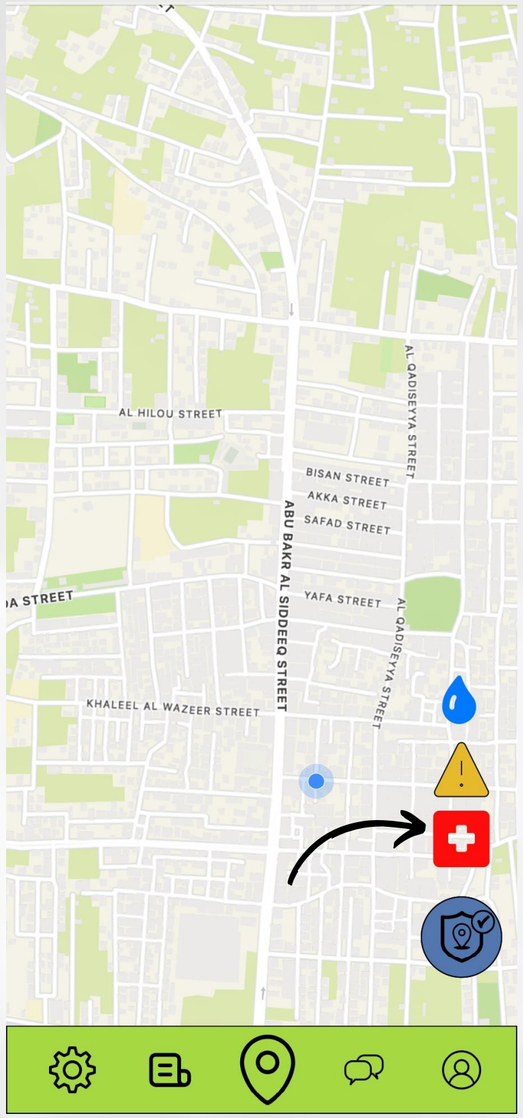
STEP FIVE:



NOTE: ICON TEXT WILL BE INCLUDED WHEN CLICKED ON IN ORDER FOR USER TO KNOW WHAT EACH ICON MEANS

User will click the ‘map’ icon. Then, click last button to mark “I am safe”

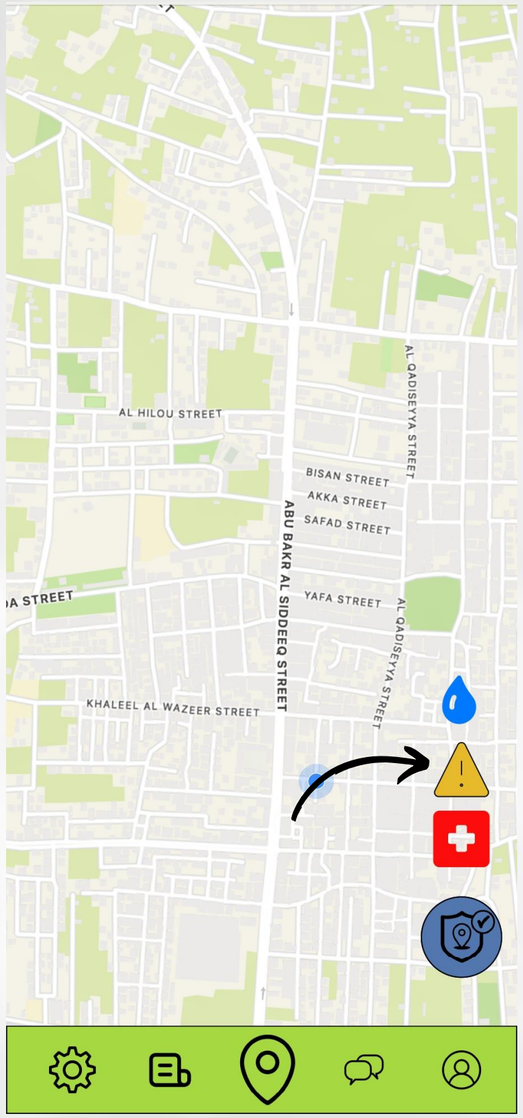
STEP FIVE(A):



NOTE: ICON TEXT WILL BE INCLUDED WHEN CLICKED ON IN ORDER FOR USER TO KNOW WHAT EACH ICON MEANS

If user wanted to mark a ‘medical station’, they will use the third icon. By clicking it, the icon will allow users to move and pin the location

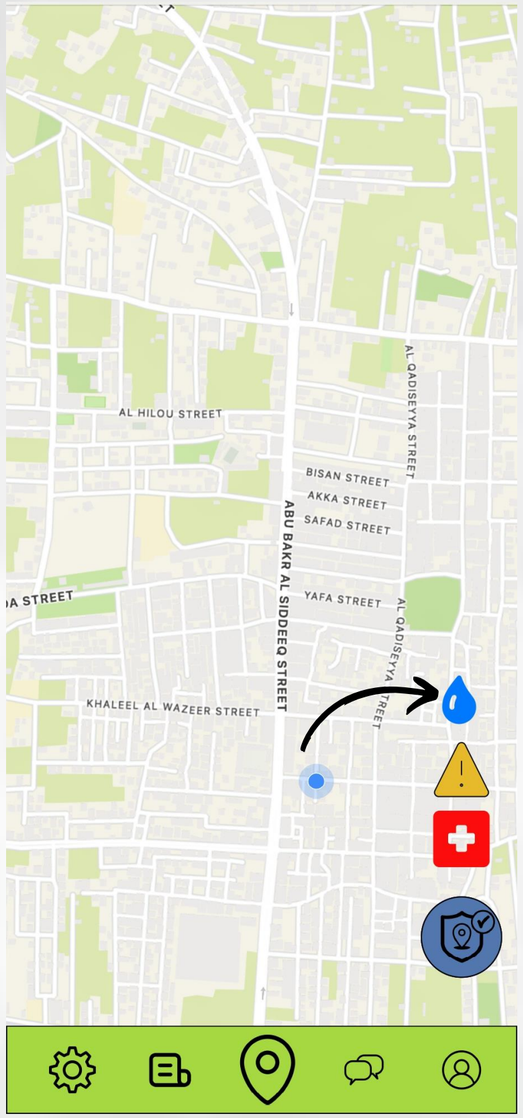
STEP FIVE(B):



NOTE: ICON TEXT WILL BE INCLUDED WHEN CLICKED ON IN ORDER FOR USER TO KNOW WHAT EACH ICON MEANS

If user wanted to mark a ‘disaster zone’, they will use the second icon. By clicking it, the icon will allow users to move and pin the location

STEP FIVE(C):



NOTE: ICON TEXT WILL BE INCLUDED WHEN CLICKED ON IN ORDER FOR USER TO KNOW WHAT EACH ICON MEANS

If user wanted to mark a ‘water relief’, they will use the first icon. By clicking it, the icon will allow users to move and pin the location
